Dear Mr. Reyna,

I am writing to you today regarding the recent Amendment to the 2016 Annual Plan.

I would like to express my support for the amendment in light that it will aid domestic violence victims in securing safe and affordable housing at a time that is so critical in their journey to rebuild their lives and re-enter our community as strong and successful individuals/families.

I applaud the Beaumont Housing Authority for doing their part to stop the cycle of domestic abuse in our community. I have no doubt that this amendment will have positive impact on Beaumont and on Jefferson County now and in the future.

Thank you for your consideration.

Sincerely,
