

# In Her Shoes

# Instructions

- Find a partner
- Decide who will be the victim and who will be the observer
- Come get a character card from us
- Read the card and follow the instructions on the card where to go next or make a decision
- Please leave the station card at the station when you move to the next station

# Debrief

- How was that experience for you?
- What feelings came up?
- What made it difficult for your character to find safety?

- What did you observe about individuals at various stations?

- What role did money or poverty play in these survivors' stories?

- What were other barriers?

# Thank you!
